

# What to expect?

Madrid's LGBTQ+ Pride Parade is the biggest one in Europe and one of the biggest celebrations of diversity in the world. Expect discovering the secret corners of the capital, exploring Madrid's buzzing gay scene and having lots of wine and tapas. You want to know the best part? Free dinners at the hostel!

## DAY 1

Departure on **July 2** at **12:05 from Gatwick**. You can meet at the airport with some of the other travellers to check-in all together - but we will all meet once you arrive to Madrid! We'll arrive around 15:40 local time and we'll be staying at Hostel One Madrid. Since it's the first day, we will walk around the city and start getting familiar with its stunning beauty.

## DAY 2

It's time to grab some breakfast and explore the city. We'll discover all the city center and the stunning *Parque del Retiro*. Madrid Pride wouldn't be the same without the traditional High Heel Race that will happen at 18:00. You will also be able to attend the Drag Queen competition and many more surprises!

## DAY 3

Fancy some churros? Let's get amazing breakfast! For those who want to explore any of the amazing museums of the city, this is the perfect time. It's our last night together and it's finally the parade... a little party never killed nobody! The parade will start at 18:00 and once it's finished there will be many different events and parties going on around Chueca.

## DAY 4

Now it's time to work off the hangover, explore the city at your own pace, eat tapas or visit Madrid's famous flea market. We will depart **July 5** at **21:50** from **Madrid** and will arrive to London Gatwick at around 23:10 local time. Time to say goodbye and get ready for the next adventure!

The activities are all optional and flexible so if you'd rather travel around the city by yourself it's totally up to you.
